

Dear Parents and Carers,

Year 5 led a thoughtful and inspiring worship this week to celebrate Black History Month. The children spoke confidently about its significance, shared Bible verses, and reflected on the values of respect, kindness, courage, and fairness. They also told the stories of inspiring leaders such as Mary Seacole, Rosa Parks, Martin Luther King Jr., and Nelson Mandela. The worship ended with a moving performance of *Rise Up* by Andra Day, reminding us all to stand together for justice and hope.

Year 3 and 4 took part in a special community project at the KGV field, where they helped plant willow trees along the riverbank. This activity was designed not only to support the long-term protection of the area from river erosion, but also to contribute to the ongoing care and upkeep of the park. Working alongside the KGV secretary, trustees, local representatives, and with the support of Little Green Change, the children enthusiastically engaged in the planting and worked brilliantly as a team.

The KGV team commented on how amazing the children were, praising their hard work, focus, and positive attitude throughout the day. Their efforts will have a lasting impact, as the willow trees will help stabilise the riverbank, protect local wildlife habitats, and create a greener, healthier environment for the whole community to enjoy in the years to come.

The PTFA are holding their AGM on Monday 29th September. The meeting will be held at Hunters Lodge and start at 7pm. Everyone is welcome.

Wishing you all a wonderful weekend,
Mrs Allington
