

Dear Parents and Carers,

Swifts Class led us in a wonderful worship this morning all about our core value of friendship. They talked to us about examples of what makes a good friend and shared a lovely acrostic poem. The children all spoke with such confidence and sang beautifully.

Many thanks to everyone who was able to attend the Meet the Teacher session on Tuesday after school. It is always a great opportunity to inform parents and set out the new expectations of the year as the children move classes. If you do ever have any questions for your child's teacher or would like to discuss something, appointments can be made via the admin team in the school office. The presentation slides have been uploaded to the Google Classroom for anyone who was not able to attend.

Year 6 has now all been given a responsibility for the year ahead and in the other classes we will also have representatives for school council, eco, ethos and meeter and greeters. It is so important to us that the children have the chance to hold these positions of responsibility and help our school throughout the year. A special welcome to our new house and vice captains.

House Captains

Phoebe Olive

Jace Elin

Vice Captains

Immy Elsie

Aoife Hugo

We are incredibly proud of all our learners who recently took part in the Bikeability course, demonstrating great skill, confidence, and safety awareness. Well done to everyone for your hard work and commitment to becoming safe and responsible cyclists.

We are looking for some volunteers to help in school on Wednesday, Thursday or Friday afternoons to support our PE lessons that are held at the village hall. If you are interested and able to make a commitment to the school, please contact the school office.

Have a wonderful weekend,
Mrs Allington

Music Lessons

Hi there! My name is Imogen Hovil and I teach cello at Mrs Ethelston's. If your child would like to try cello as an instrument to learn, please contact me at ihovil@hotmail.fr. Or let the office know. I usually teach individual lessons, but if there is enough interest, I could start a small group lesson. We have a small friendly Strings group now on a Monday morning. It would be great to have a few more little cellists. I have small sized cellos available.

It's a really lovely and unusual instrument to learn.

Please look on our website for all our music teachers.

Our Core Value this half term is
Friendship

Whole School Attendance This Week

Upcoming Dates

Owls Class Worship - 26th September

Harvest Celebration - 3rd October

Reception eye screening - 3rd October

Wrens Class Worship - 10th October

Open Morning/Afternoon - 13th October ALL DAY

Celebration and Ethos - 17th October

Please Note - To ensure a smooth and safe drop-off and collection routine, Mrs Ethelston's Primary operates a voluntary one-way system via Church Street during these times. Parents are kindly asked to use the bus bay area exclusively for dropping off their children and to avoid parking there. If you wish to walk your child to the school gate, please use the parking field at the village hall. This arrangement helps to reduce congestion and maintain a safe environment for all pupils and families.

Thought for the week
