

Dear Parents and Carers,

Thank you very much to our Robins' class for leading a class Worship this morning. You did a wonderful job talking about our Core Value of Celebrating Life and also celebrating your first year in school. It is amazing to see how much you have grown over this past year. It really was so special to hear all about your learning and the retelling of the story was super!

We all had a brilliant time on our transition morning on Thursday. The children had great sessions with their new teachers and it was lovely to speak to them about how excited they are about the new academic year. Our Year 6 children have also enjoyed some transition to secondary school this week with taster days organised for Woodroffe and Colyton and the Axe Valley transition will be next week. It is such an exciting time for our oldest members of the school and we know they will be making us very proud as they prepare to make this journey to their secondary education. Year 5 also enjoyed spending some time at Woodroffe this week and experiencing some secondary school lessons.

Thank you to everyone who was able to attend the parent phone forum this week. We had some great discussions and the governors have more plans to take this important project forward into the new academic year.

The Mrs E's Big Wheeze is being revived this year by the PTFA and we are very excited about this popular event. More information can be found on the poster. Please do sign your child up as it is really important that the PTFA know we have enough numbers to make it a viable event.

Next Tuesday 1st July at 3:30pm, we are holding a fundraising event for our school rabbits, Ethel and Flopsy. This will involve lots of rabbit themed activities, a tombola, raffle and a cake sale. If you are able to donate anything towards our raffle or tombola, that would be much appreciated. Please just bring it into school any-time before Tuesday

Wishing you a wonderful weekend,
Mrs Allington
