

Dear Parents and Carers,

We have concluded another busy week at school with our Kingfisher class leading an important Worship all about Children in Need. Thank you for all the information you shared with us about how it started and why it is important that we help and support the charity and for your beautiful singing.

Children in Need is such an important charity that funds thousands of charities and projects to support children in the UK to have 'the childhood they deserved' You have all been so generous with your donations. At the last check, we had raised £358!

On Monday, our Ethos committee travelled to Axminster, where they laid a wreath that they had made, planted crosses in the Remembrance garden and read a poem to other schools in our area and members of the public. In addition to this, our Year 6 class walked to Uplyme memorial where they paid their respects on behalf of our school at 11 am. They laid poppies, read another poem and said a prayer to begin their 2 minutes of silence. All classes back at school also held a 2 minute silence. We are so proud of all the children in our school who showed such beautiful respect.

Thank you for all of your support in helping to make school drop off a little bit safer for our children and families. We do operate a voluntary one-way system but this does not account for the general public who are unaware of this. If you are able to park in the parking field and walk up to school, it is very much appreciated. The bus bay is for dropping off only and the staff will endeavour to collect the children from the car so that we can keep all the traffic moving. Please try to avoid any children getting out of the vehicle onto the road to help keep everyone safe.

Wishing you all a wonderful weekend,  
Mrs Allington
