

Dear Parents and Carers,

We have been incredibly lucky to have Eunice and Bruce working with us again this year in preparation of our Easter Service. They have been teaching the children some new songs ready for our performances, and they will continue to work with us until then. This was an incredible, whole-school event last year, and we look forward to our service this year on the 3rd April. Thank you, Bruce and Eunice, for all of your time and hard work. We will share further details about this special event soon.

On Thursday afternoon, the whole school enjoyed a performance of Beauty and the Beast at the village hall. Thank you to the PTFA for helping with this event and for fully funding this experience for our children. It was a great show and everyone had a wonderful afternoon.

Just a reminder that next week on Wednesday 29th January, it is RNLI SOS day. As this is such an important cause, especially in our locality, we would like to invite the children to wear their wellington boots on this day with their school uniform. Please can your child bring in their trainers if they have a PE lesson on this day.

We had a hygiene inspection this week and our wonderful kitchen staff had the best possible outcome. The catering team were awarded the highest score for their exemplary records of handling of food, how food is stored, how food is prepared, cleanliness of facilities and how our food safety is managed. Acorn Catering is extremely proud.

We are very excited to announce that our wraparound care is now fully staffed and the children that have been using it are enjoying all the activities on offer. Further information will be sent out next week.

Wishing you all a wonderful weekend,

Mrs Allington

Our Core Value this half term is

PERSEVERANCE

Whole School Attendance This Week:

95%

The class with the best attendance is **SWIFTS with 98%**

The winning house this week was

ANNING

Well done and keep earning those house points!
