

Deep Christian roots, Nurturing strong growth, Flourishing children

Spring Term 2024-2025

Issue 16

Friday 10th January 2025

Dear Parents and Carers,

Welcome back to a new term at school. I hope you all had a wonderful festive season and were able to spend it with the special people in your life. After a little disruption this week already, I am keeping everything crossed that the weather behaves this term!

It has been wonderful to welcome the children back and introduce our new Core Value of Perseverance. The children have already generated some really thoughtful ways they are going to help each other to learn and grow and I have seen this in action.

We are now in the Spring Term and the new learning maps for this term can be found on the school website and Google Classroom platforms. Hopefully, this information gives you an insight into what your child is learning about at school.

Attendance at school is so important and just a few missed sessions can have an impact on any child's learning. I completely appreciate that illness and medical appointments will interrupt this, but I wanted to take this opportunity to remind everyone that children are expected to be in school for all sessions. The Educational Welfare Officer and the Trust Attendance Officer supports all schools to ensure attendance remains as high as possible. If you need any guidance or support on this, please contact the school office as it is really important that home and school are working together.

I would like to especially welcome Miss Faloon who has joined us after Christmas and is teaching our Year 2 class. We also have Ms Unwin who is supporting our after school provision - both are excellent additions to our strong team at Mrs E's.

We are always looking for extra volunteers in school. If you feel you have the time to commit to a regular slot with us, we would love for you to get in touch with the school office.

Wishing you all a wonderful weekend.

Miss Lyons

Mrs Ethelston's PTFA PRESENTS

# POP
