

Deep Christian roots, Nurturing strong growth, Flourishing children

Autumn Term 2024-2025

Issue 06

Friday 11th October 2024

Dear Parents and Carers,

It was wonderful to see the church so full on Monday morning for our Harvest service. You have all been extremely generous with your contributions and I know that Lyme Food Bank will be grateful for our support. This is such an important charity that supports our community and it is lovely to be able to support them in return.

Our Year 1 children led a very special Worship this morning all about raising awareness of Mental Health through the charity Young Minds and their initiative #HelloYellow. The children spoke with great confidence and sang beautifully, well done Wrens. It is wonderful to see all the children wearing yellow today to show their awareness of mental health. All classes have enjoyed a variety of activities to help them understand the importance of having a healthy mind and how we can recognise when we don't feel okay so we know what to do or who to ask for help.

On Tuesday, Year 1 and 2 had a very enjoyable (and very soggy) trip to Paignton Zoo. They were able to see lots of exciting animals throughout the day and had a talk about how lions hunt in their local habitat. The children were given a task to see if they could find any critically endangered animals during their visit. A huge thank you to those parents that were able to help us on the trip and those that offered their help - this is very much appreciated.

Years 5 and 6 had a wonderful day on Wednesday visiting Athelhampton House as part of their Elizabethan topic. They explored the stunning Tudor manor, learning all about Elizabethan life and were so lucky with the weather when investigating the gardens. What a wonderful trip. Thank you to everyone who helped make this possible.

Bike ability has now come to an end and what an amazing few weeks it has been. The children have worked so hard to either complete level 1 and 2 which makes them safe to ride on the road. As well as this, some children have taken part in the learn to ride scheme. ALL children have grown in confidence and we would like to thank Nicky who has worked so hard with all the children. We look forward to seeing you next year.

Wishing you all a wonderful weekend,
Miss Lyons

Thank you to Mark and Uplyme Filling Station for a generous donation of £500 towards our new outdoor decking area

Our Core Value this half term is

FRIENDSHIP

Whole School Attendance This Week:

96.5%

The class with the best attendance is **HERONS' with 99%**
