Staying Safe: Fire Evacuation

We practise fire drills regularly

1 each term

Children learn where to line up safely and the route to take.

Staff check every class is together.

Lock down safety procedures

Lockdown drills are practised just like fire drills.

We talk to the children about this in an age appropriate way.

Children stay quiet and calm in classrooms.

Teachers guide and reassure all children.

Every day counts. Attendance really matters

Better attendance = better learning.

Missing school means missed opportunities.

Aim for 95% or higher attendance. With your support, we can help your child succeed.

We are here to help if attendance is challenging.

Side note-

Our assembly is on Friday. The children are really looking forward to it!

The children should have their lines in their bags. Please practice with them if you have a spare moment.
